**UNITED STATES INTELLIGENCE BOARD**

**OFFICE OF THE EXECUTIVE SECRETARY**

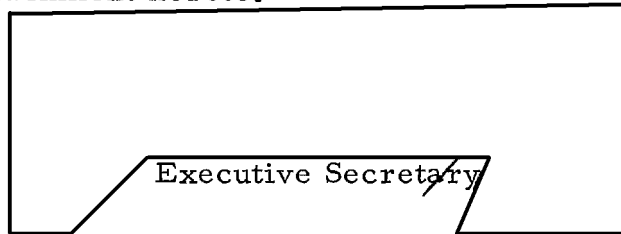

19 March 1964

**MEMORANDUM FOR THE CHAIRMAN, UNITED STATES  
INTELLIGENCE BOARD**

**SUBJECT : Reorganization of USIB**

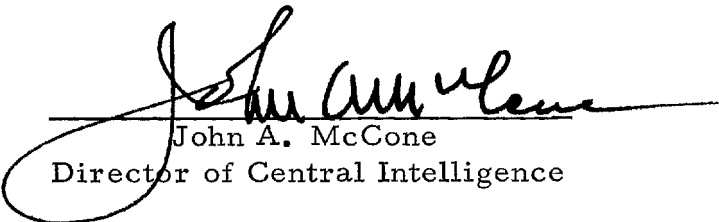

1. The attached letter from General Carroll states his agreement with the arrangements for Defense participation in the United States Intelligence Board (USIB) contained in your letter of 3 March.
2. His only new proposal is a factual updating of the footnote to NSCID #1 identifying the components of the intelligence community. Mr. Bross and I recommend your approval of that DIA proposal.
3. If you approve, I will make arrangements with Bromley Smith, Executive Secretary, National Security Council, for issuance of a revised NSCID #1 containing the amendments which you had previously approved and sent to General Carroll plus his proposed amendment in the attached letter. NSCID #1, as it would be revised, is shown in the second attachment hereto.
